Big Tug Launched

Big Tug is one of our principal kiddie rides and is ideally suited for single site use and amusement arcades.

Manufactured by [Motoi](#) of Modena, **Big Tug** is an eye-catching medium-sized ride that is fully interactive and uses the highly successful [Motoi](#) air compressor movement.

This is the first ride that has been completely designed in-house by ourselves for the UK and Irish markets and it will be the top selling ride for **SB Machines** this year.
