### Miami

**Miami** is our sensational new launch for 2009. A medium-sized ride, **Miami** is another SB in-house design, manufactured by Cogan of Modena.

The innovation lies in the clockwise and anti-clockwise rotation of the disc which is accompanied by great music and high impact LED lighting. **Miami** will attract children of both genders and all ages. This ride is going to be a classic.

## Best Sellers

During the past 15 years SB Machines has established itself as one of the top suppliers of kiddie rides in the UK and Ireland. We have a large portfolio of rides that can suit all individuals and premises.

Left are some of our biggest selling rides of recent years; consider them as 'must haves'.

## Expansion of our range

Our recent collaboration with [VdWInternational](#) of Belgium led to the introduction of the very popular Magic Safe Prize Dispensing game to the UK and Ireland.

VdW are specialists in design and manufacturing of coin-operated pushers, and after extensive trialling in the UK, we are delighted to present their latest creation, **Da Vinci Mystery**.

Available in 3 player/6 player format, with multicolour glow effect, **Da Vinci Mystery** has a fantastic visual impact and superb play appeal. In addition, the intriguing bonus feature will keep customers coming back for more! The Pusher Renaissance has started...

## Magic Safe

The fabulous **Magic Safe** is a prize dispensing game manufactured by VdW.

The aim of the game is to match the 4 digit code of the safe.

If you match 4 digits then you win the 1st prize. However, if you only match 3 digits you will still win the 2nd prize.

All prizes are then dispensed automatically via a spiral/carousel system.
