Smiley Train

With a compact footprint and original movement the exciting Smiley Train is one of SB's main product launches for 2010. A proven performer, this ride will attract a lot of interest in any amusement establishment especially with the added feature of reverse movement

Miami

Miami, designed in-house by SB Machines and manufactured by [Cogan](#) is a sensational medium-sized ride. The innovative clockwise and anticlockwise rotation of the disc is accompanied by great music and high impact LED lighting. Miami will attract children of both genders and all ages. This ride is going to be a classic.
