Astro

The all new 6 player Astro is SB's key pusher launch for 2013. Specifically manufactured for the UK by VdW International of Belgium, Astro sets itself apart from other pushers by using a patented, innovative 'magic' playfield. This unique presentation of the pusher concept enhances play appeal and increases customer dwell time on the machine.

Expertly constructed and keenly priced, Astro is going to attract a lot of interest from operators of FEC's.
